Insights

FIFA World Cup Host Countries and Winners

- The FIFA World Cup was held in 2002 in Korea/Japan, 2006 in Germany, 2010 in South Africa, 2014 in Brazil, and 2018 in Russia.
- Brazil won the trophy in 2002, Italy in 2006, Spain in 2010, Germany in 2014, and France in 2018.
- The 2010 World Cup was hosted in South Africa, as it was an happy moment for the continent to have a country from Africa to host the tournament.

Performance of Top Teams

- Brazil, Germany, and Turkey finished first, second, and third, respectively, in the 2002 World Cup, with Brazil getting the most points.
- The top three teams in the 2006 World Cup were Italy, France, and Germany, with Italy winning and Germany finishing third.
- Spain, the Netherlands, and Germany were the top-performing teams in the 2010 World Cup, with Spain winning.
- Germany had the most victories (6 wins, 0 losses) in 2014, followed by Argentina (5 wins, 1 loss) and the Netherlands (5 wins, 0 losses).

Teams with no Earned Points

- China, Saudi Arabia, and Slovenia finished the 2002 World Cup with no points.
- Egypt and Panama failed to collect any World Cup points in 2018.

Goal Ratio

- Italy has the most goals in the 2006 World Cup, followed by France and Germany.
- The top goal-scoring teams in the 2010 World Cup were Spain, the Netherlands, and Germany.

Recommendation

- Consider incorporating attendance statistics in FIFA World Cup tournament analysis. Attendance can give vital data regarding the tournament's popularity and global viewership.
- Include extra information, such as player statistics and previous performance, to acquire more detailed insight into player performance.
- Analyzing player-level data, such as goals scored, assists, and individual accolades, can offer a more thorough view of the influence individuals have had in each tournament.
